CALTRANS TO REPAVE RAMPS ON I-15 IN NORCO AND I-215 IN RIVERSIDE

NORCO/RIVERSIDE – The California Department of Transportation (Caltrans) will begin repaving several ramps on Interstate 15 in Norco and Interstate 215 in Riverside on Monday, May 10, 2004. The 30-day project will begin in Norco for approximately two weeks and move to Riverside for completion. The work will take place Monday through Friday 9:00 a.m. to 5:00 p.m. and weekends, 9:00 a.m. to 10:00 p.m.

Caltrans will not close two consecutive ramps to allow local traffic access. Work will not be performed on Memorial Day weekend. The ramp closures are listed below in order:

- | | | |
|----|-----------------|---|
| 1. | Norco I-15 | Entrance and exit ramps at Yuma Drive & Hidden Valley Parkway |
| 2. | Norco I-15 | Entrance and exit ramps at 2 nd Street |
| 3. | Norco I-15 | Entrance and exit ramps at 6 th Street |
| 4. | Norco I-15 | Entrance and exit ramps at Limonite Avenue |
| 5. | Riverside I-215 | Entrance and exit ramps at Columbia Avenue |
| 6. | Riverside I-215 | Entrance and exit ramps at Center Street |

Lane closures will take place at each ramp to ensure highway worker safety. Your patience is appreciated during this construction project. We understand the work may cause some inconvenience, however, it is necessary to keep the roads in good driving condition. It is better to lose one minute of your life, than to lose your life in one minute. Please slow for the cone zone.
